

SPECIAL TRAFFIC NOTICE

**“GWILI 40 - THE
DIESEL DAY”**

21st April 2018

Page 2 - Notes to timetable
Page 3 - Working timetables
Page 5 - Additional information

This is a public copy of the working timetable, published for the benefit of enthusiasts and photographers. It contains a full copy of the working timetable - including empty coaching stock workings, light engine moves, shunting instructions etc.

Operational volunteers should consult their copy of the special traffic notice - which contains (in addition) booking on/off times, briefing notes, any special instructions etc.

Note 3: the 1500 'up' departure ex Bronwydd Arms (2D11) will run through both the loop and the platform road at Abergwili Junction, on arrival at 1555 - see separate printed instructions. It will carry an 'Abergwili Explorer' headboard.

Further details of the event

Bus Link

A bus link will operate to and from Carmarthen station, to provide a link to National Rail services. A copy of the timetable is shown below.

Carmarthen station	1100 (connects with 1V32 arrival at 1051 - the 0555 from Crewe)
Bronwydd Arms	1115

Bronwydd Arms	1635
Carmarthen station	1650 (to connect with 1W21 - the 1701 Carmarthen to Manchester Piccadilly service).

These services will be operated by preserved Routemaster RM 308, and are subject to availability.

Real ale

There will be a bar in the guards area of the DMU, serving real ale.

Brakevan rides

Brake-van rides will be available in station limits at Bronwydd Arms - operated by (N-S) 'Abigail' - CRS Toad - D2178. These will run at the following times:

1105 - 1135

1305 - 1400 *

1415 - 1430

1505 - 1605 *

* With the signalman's permission (and if in possession of the blue (BA-AJ) train-staff), these brakevan rides may extend as far as MP 248½ (just South of the 'down' fixed distant signal).
